Subject:	Re: GS-11B-30168 - FERC HQ Project - Permit Proposal
Date:	Friday, July 15, 2016 8:01:11 AM

Tracey/Chris,
GSA took some time to verify the permit rates with the city. With the anticipated costs based on the bid updates being less than the budget costs , do we have to revise the proposal for the permit fee?

Also, please submit the Lessor's cover letter for the additional A/E costs due to extended schedule.

Thanks,

Danny C. Mapili
